# YEAR 10 - GCSE Art – Milestone 1

**TOPIC OVERVIEW:**

## 1 Artists and Inspiration

We will begin GCSE by looking at a wide range of artists whose work is inspired by our project theme. We will explore a wide range of sources, both historical and contemporary in response to our title. We will be experimenting with a wide range of media, materials and techniques inspired by the artists we are studying. We will also have the opportunity to select artists of our choice to tailor our projects to suit our individual interests and strengths.

Your previous studies in Key stage 3 art will support your learning in this topic as you have a wide base of artistic skills to build on, develop and refine. You have a clear understanding of how to compose pages and respond to artists effectively, both through visual and written analysis.

This study will also come in useful when you move onto unit 2 - the externally set task when you will select your own artists to study and respond to.
