YEAR 10 - GCSE Art – Milestone 2 Personalised artist research & inspiration

TOPIC OVERVIEW:

We continue to respond to A01 looking for and sourcing artists of your choice, whose work is inspired by our project theme. You will explore and experiment with a wide range of media, materials and techniques inspired by the artists you select to study. This milestone promotes you to tailor our projects to suit our individual interests and strengths.

Your previous studies in Milestone 1 and KS3 art will support your learning in this topic as you have a wide base of artistic skills to build on, develop and refine. You have a clear understanding of how to compose pages and respond to artists effectively, both through visual and written analysis. You have also gained previous experience of selecting personal choice artists and responding to them in your year 9 curriculum.

This study will also come in useful when you move onto unit 2 - the externally set task when you will select your own artists to study and respond to.
