YEAR 7 - Art – Formal Elements of Drawing
'From the Ground'

TOPIC OVERVIEW:

In this unit you will study the **Formal elements of drawing.**We begin year 7 looking at the subject matter of natural forms and building knowledge and confidence in drawing - with a focus on line, shape and tone. We will explore working in a range of media, such as mono printing, pencil, pen and digital drawing methods and techniques. We will look at artists who work in these media to inspire us, such as Caroline Kaufman and Richard Whittlestone.

Your previous studies in Key stage 2 art will support your learning in this topic as you have already explored these media and had opportunities to look at artists as inspiration and to compose sketchbook pages.

This study will also come in useful when you study any drawing methods and techniques at any point throughout your art curriculum.

Milestone assessment:

What does your assessment look like?

Assessment in Art

Students are assessed in these key areas:

- To analyse and evaluate - your own work the work of artists
- To explore a range of techniques and media - such as print making, pencil and pen
- To record observations & ideas - Planning pieces and drawing from observation
- To develop creative responses - Creating pieces that show skills in line, shape and tone

You will plan your assessment pieces based on the skills and techniques you have learnt in each milestone, making decisions on composition and media choice - creating the art you like to make.

Students receive a **Current Working Practice (CWP)** grade: *Exceptional, Highly Developed, Consistent,* or *Developing.*

They also receive a **colour indicator** showing how they are performing against their target (based on KS2 data):

- **A – Amber**
- **G – Green**
- **P – Purple**

You will have 1 lesson, and homework if you need to plan and prepare your idea. Then 1 lesson and homework to complete your piece.

How can I **achieve** in this topic?

- Use excellence models of previous students work as a goal for yourself
- Watch teacher demonstrations and use the videos we post to support you
- Respond to feedback comments to improve your sketchbook and pieces
- Give our views and opinions when you analyse and evaluate - go into detail.
