TOPIC OVERVIEW DOCUMENT

YEAR 7 - History – Living Britain - Industrial Britain

TOPIC OVERVIEW:

- You will learn about the great changes in Britain during the period of the Industrial Revolution. This includes: the reasons for the movement of people to new towns and cities through urbanisation, the development of new technology like the steam engine, the threat of killer diseases like cholera and smallpox and the eventual intervention from the government with the Public Health Act.

- Your previous studies at KS1 in primary school on the lives of significant individuals in the past who have contributed to national and international achievements. (Queen Victoria) will support your learning in this topic as it will give you the foundation knowledge to study all aspects of Industrial Britain in greater breadth and depth.

- This study will also come in useful when you study Year 8 – Relating to History. (The context surrounding slavery and its abolition) Year 8 – Marketing History. (The long term causes of WWI, such as; militarism, nationalism and imperialism) Year 9 – Medicine Through Time (The developments in medicine during the 19th Century. The work of Snow, Simpson and Lister) Year 12 – Industrialisation, Britain and the People. (Very early context for an entire A-Level unit)
