Changing Lives Through Learning

13<sup>th</sup> April 2023

Dear parents/carers

I wanted to share with you some valuable resources and tips from UK Safer Internet Centre about 'cyber flashing'. It is important that we work with all of our parents and carers to educate our young people on being safe online. This information and advice supports our work in this area which is delivered in our main curriculum, primarily through our Personal Development lessons, and also through our wider tutorial programme.

Please can I ask you to take 5-10 minutes to discuss the main tips and information with your child.

Many thanks for your ongoing support to ensure our young people are educated about online safety.

Yours sincerely
