24<sup>th</sup> April 2023

Dear Parent/carer and student,

As we continue the final push for exams we want every single student to have every single opportunity to succeed and to remove every barrier that could occur.

To further support our students and also to continue to close any gaps caused by the pandemic and its impact we will be hosting five 'Saturdays for Success' sessions.

These are a series of two hour intensive exam preparation and revision sessions focussed on GCSE English preparation. They will focus on all areas that students need to target to ensure that every student can reach their full potential in the exams this May.

These sessions will run from 10am until 12pm each Saturday starting on 29<sup>th</sup> April. We have adjusted the timings on the second session due to the coronation weekend. Full details are here

1. 29th April school open 10am-12pm
2. 6th May school open 8:30am-10:30am
3. 13th May school open 10am-12pm
4. 20th May school open 10am-12pm
5. 27th May school open 10am-12pm

Students just need to arrive at the main academy door for 10am equipped for learning. Students need to be dressed to learn, but school uniform is not required.

We strongly encourage every student to attend every one of these sessions for maximum impact on their examination outcomes.

To confirm your attendance at these sessions please can you sign up by completing this registration form here <https://forms.gle/jYD2ACZSLKRTXGjy9>, this will enable us to further target these sessions.
